Extended-wear

Lyric

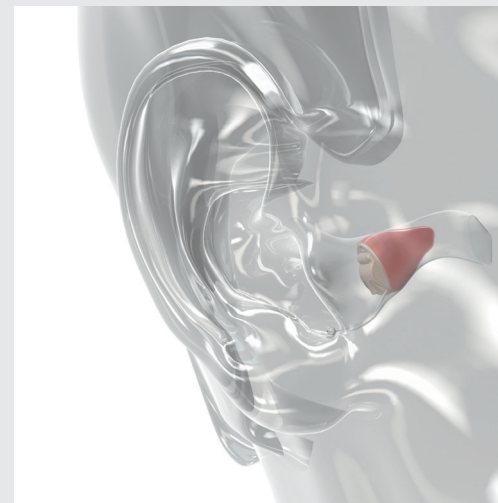

Lyric is the world's first and only 100% invisible extended-wear hearing device available.

Lyric is inserted deep inside the ear and can remain in the ear for up to 4 months at a time.*

* Individual replacement needs may vary. Placed by a hearing professional during a routine office visit. Lyric is not appropriate for all patients. See your Lyric hearing professional to determine if Lyric is right for you.

Daily-wear

Phonak nano

Phonak nano is a small, comfortable custom crafted hearing device designed to fit entirely in your ear canal.

This daily-wear device is available in two price and performance levels to suit your lifestyle, degree of hearing loss and budget.
